Keeping Your Children Safe - Collecting Your Children

Please, where ever possible, let us know if someone else is collecting your child/children. Our priority is to ensure your children are safe. We may be unaware of a change in circumstances and not let your child go unless we can contact you, so please let us know.

After School Care Direct Line- Safeguarding your children

We have installed an extra phone line in the Mobile Classroom that is purely for After School Care outside of the normal School Day. To speak to a member of the After-School Team after 3.15pm please call 01299 250312 and press option 2.

Booking Wrap Around Care

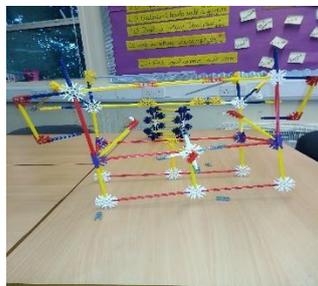

We hope you are all finding the new booking process for Wrap Around Care a much easier and smoother process. The new system has been designed to manage the booking process and payments more efficiently and provide a record of bookings and a receipt. Thank you to all those parents who have provided any kind of feedback. We have taken all the comments on board and we are pleased to say the process seems to be working very well. We have made a slight change since the original Monthly form was sent out. There will now only be a Weekly booking form available rather than a monthly one. This enables families to book their Wrap Around Care a week in advance and allow for any changes that may be needed, including last minute bookings if there is space available. Booking forms will need to be into the School Office by the Friday of the week before Wrap Around Care is needed. Booking forms are available from the School Office, Breakfast Club and After School Care and can also be downloaded from the School Website.

We had lots of fun last month doing arts and crafts.

The children made lanterns by painting glass jars and putting a tealight inside. Oliver, Bobby, Eliza, Mia, Imogen, Alfie and Charlie all made a lantern.

We decorated some gingerbread men for Mia's birthday and had some birthday lights as well. This will hopefully be something we can continue to do, and the children will get to choose what to do on their birthday.

Plasticine was very popular and lots of children were very creative, making all sorts of things to take home.

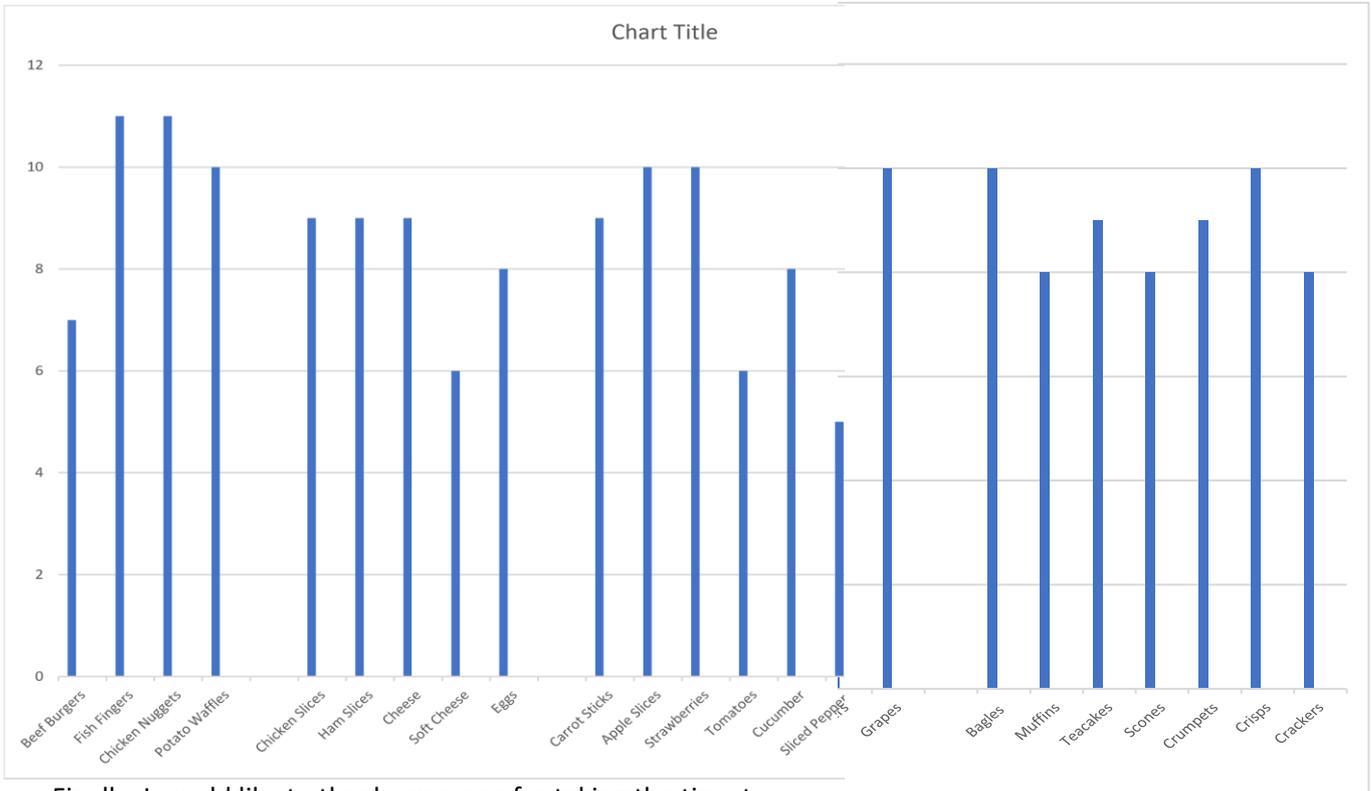

Matthew in year 2 was very determined to make something outstanding and wanted everyone to see what he had made.

Outdoor adventurers will be on a Monday and wellies and outdoor clothing are needed for those wanting to take part.

We are still welcoming any donations of anything at all that could be useful in arts and crafts, especially with Christmas coming up!

Donations
are GREATLY
appreciated!

Finally, I would like to thank everyone for taking the time to complete the food survey. So far results have been most helpful, and here are the results. We also had lots of suggestions and will try to include as many as possible.

Thank you again for your continued support in helping to make after school care a safe and happy place to be.
