HARTLEBURY PRIMARY SCHOOL

AFTER SCHOOL CLUB NEWSLETTER

Welcome to the first after school club newsletter.
This will show what we offer, what the children can do and how much fun your child can have while attending.

The club is run by Mrs Lynsey Wesley, Mrs Dawn Roberts and Mrs Chantelle Bates. Most of the children will know us from lunchtime.

We offer choices of sandwiches, picnic style tea, scones with clotted cream and jam and often a salad selection. We also have burgers, pizza, curry and hot dogs

We have lots of activities available.

There are games, dressing up, arts and crafts and much more. Children can also use their imagination and have free play with all the toys on offer. We also have fun outside and often use the field during the summer months.

Donations of any old unwanted toys and games would be most welcome. Anything you might have that would come in useful like egg boxes, cereal boxes and unwanted art supplies.

For more information please see Miss Gledhill in the school office. She will give you a registration form.

Please note Mondays will be outdoor adventurers. Please can the children bring outdoor clothing and footwear from home if they want to take part.
