

The Queen's Birthday and Euro 2016

This week we have been learning some more about our Queen and introduced our next theme for next week, Euro 2016.

As many of our children are interested in football and some play for teams outside of school, we thought that they would be interested in learning more about the Beautiful Game! (Along with myself, who has no interest in football!)

We are working hard on making sure that the children not only remember their digraphs (two letters making one unit of speech) but use them in their writing. You will have some new flashcards for their Tricky High Frequency words to practise and we hope that you will continue to practise these into the summer holidays.

We have had a class sweepstake for Reception and they have all had a country to keep track of during the tournament, bringing in an element of Maths. We shall be writing Match reports, having penalty shoot outs, having a go at being a football pundit and learning about fair play and Sportsmanship.
