Wyre Forest Football League 2015

On Tuesday 29th September two Hartlebury football teams began 4 weeks of competitive action against other schools in the Wyre Forest district. All teams played 8 games in total and all Hartlebury players were fantastic in representing our school.

There was plenty of tough tackling, super saves, top teamwork and great goals on show throughout the campaign. Our teams played in separate mini-leagues, so a Hartlebury derby match was avoided on this occasion! The final group positions for our teams was 3rd and 8th place respectively, in total 16 teams took part in this very competitive competition!

Indoor Athletics

On Wednesday 14th October our year 6 pupils competed in the Wyre forest indoor athletics competition, held at Stourport netball dome.

The team competed against 9 other schools during the morning session, with a further 8 schools scheduled to compete during the afternoon. Events included team relay races ranging from 1 to 6 laps, long jump, vertical jump triple jump, speed bounce, chest push and an obstacle relay.

All of our pupils represented our school with great passion and determination. By the end of the morning session our year 6 girls had finished in 4th place, while our year 6 boys finished

Girls Football Tournament

On Wednesday 30th September we took a year 6 girls football team to King Charles I school in Kidderminster.

The team took part in one of two mini leagues and played against 4 other local schools aiming to reach the final.

The girls really enjoyed the experience of representing the school in their first competitive football match and they really progressed as a team throughout the competition. The team did not qualify for the final, but they are very keen to play more games in the future!

Interested in joining a dance or fitness class?

Kerry from M&M Dance & Fitness Studios visited our school during National sports week 2015 to teach some of our pupils some street dance. M&M Dance & Fitness Studios is located in Edwin Avenue, Hoo Farm, Kidderminster where they also provide a range of fitness classes for adults. www.facebook.com/Mmdancestudios

For more info contact Kerry on 01562 743463 or Email: mmdancestudios@yahoo.co.uk.

Year 5/6 Cross-Country trials

Hartlebury is well known for having a great cross-country team, and we are also looking forward towards more fantastic results this year. During the term our year 5 and 6 pupils have been out practising in separate trial events.

Our year 5 pupils were recently given the chance to run their trial race around Memorial park, Stourport along with 5 other local primary schools. The annual Wyre Forest Cross-country event will take place next month and we are hoping to retain our trophy!

Harriers Football

Year 5/6 pupils have enjoyed a programme of P.E this term which has been delivered by Kidderminster Harriers.

The Harriers will return later in the school year to deliver a free fun session to all year groups
