After School Care Newsletter

OUR VALUE THIS MONTH IS RESPECT

Newcomers

We have had some new children attend after school care, and with the help of the regular children they have settled in well. They enjoy coming and being a part of the after-school fun and games.

Thanks especially to Mia, Bobby, Eliza, Isabelle, Oliver, Imogen and Lincoln for helping our newcomers settle in and feel welcome and happy.

We hope everyone had a relaxing week off and enjoyed the half term break.

Spring Fayre

Well done to all the children who made jars for the spring fayre. The children had great fun making them and were all excited about donating them to the fayre. We hope that everyone who won one of our jars was very happy with it. Here are the jars we made at after school care.

The children put sweets, chalk, crayons and a small toy in the jars, then made their own lids and decorated them. Eliza, Bobby, Oliver, Gabe, Halle, Scarlett, Zachery, Isobel, Millie and Lincoln all had a go and made these fun jars.

Summer Fun

As the weather continues to improve, we hope to be outside as much as possible so can you please ensure they are protected from the sun. Please apply sun cream in the mornings and make sure children have hats in school.

We have been having lots of fun on the field, playing rounders, boules, and many other games. The children also love playing on the play equipment, and we have also made ice lollies for them to have to help keep cool.

Hartlebury Rocks

I would like to thank Mrs Collins for sharing with me her pebble painting idea that is going on around Hartlebury now. The idea is that you paint rocks, stones or pebbles however you want, then hide them around the village. If you find one you can keep it or re hide it and keep painting new ones for people to find. It has got a lot of people interested, many are involved, and it is a lovely community idea for the children to be involved in.

I was hoping that the after-school care children could get involved by bringing in rocks or stones to paint, then hiding them in the village or around school on their way home. Children will love to see if their pebble has been found, or moved to another spot, so please help us get involved. If you have any rocks or stones that can be painted, please donate them to us so we can get involved in this community spirit.

After School Care Direct Line - To speak to a member of the After-School Team after 3.15pm please call 01299 250312 and press option 2. Thank you to everyone for your continued support in making after school care a safe and happy place to be.

Thank you to everyone for your continued support, and thanks to everyone who helps make after school care a safe and happy place to be.
