

One of the most beautiful qualities of a true friend is to understand and to be understood.

The greatest gift of life is friendship.

A real friend is one who walks in when the rest of the world walks out.

Friends show their love in times of trouble, not in happiness.

A friend is one who knows you and loves you just the same.

My best friend is the one who brings out the best in me.

There is nothing on this earth more prized than true friendship

**'A friend loves at all times'**
